ABOUT THE FEST

The 1st Cognizance fest, organized by the school of science (Chemistry, Biotechnology, Botany, Mathematics, Physics and Zoology), St Joseph University is an inter-departmental science fest, to be held on the 3rd April 2024 at the University's Auditorium that aims to bring together bright and talented students from various departments to participate in a series of challenging and stimulating competitions and networking sessions. The event will focus on fostering leadership qualities, innovations and skills. The students will get an opportunity to see the individual or collective performances of the students as well as understanding the practical applications and utility of science.

ABOUT ST. JOSEPH UNIVERSITY

St. Joseph University was established by DMI foundations which is an effort to the sisters of Daughters of Mary Immaculate and Fathers of Missionaries of Mary Immaculate (MMI) of the Catholic Church. The DMI foundations is the global Philanthropic organizations working in many countries such as the United States of America, Germany, Brazil, Tanzania, Zambia, Malawi, Ethiopia, South Sudan, and India through educational institutions and Philanthropic services. At St. Joseph University, we are committed to the pursuit of knowledge, research and creativity towards entrepreneurship and Leadership. The students-centered learning is aimed at employable education in the changing global situations and ensuring personal and intellectual excellence towards productive careers, meaningful lives and responsible citizenship.
