About the University:

St. Joseph Uniersity was established by DMI foundations, an initiative of the Daughters of Mary Immaculate (DMI) and the Missionaries of Mary Immaculate (MMI) of the Catholic Church. DMI Foundations is a global philanthropic organization working across several countries through universities, educational institutions, and various social and philanthropic initiatives. The Foundation is committed to the holistic development of women, youth, and children through education and social responsibility.

About the Department:

The Department of Psychology and Counselling is dedicated to quality education in psychology and counselling, focusing on human behaviour, mental processes, emotional well-being, and personal development. Through a blend of theoretical learning, practical training, research, seminars, workshops, and field experiences, the Department nurtures students' knowledge, professional skills, empathy, and critical thinking, preparing them for diverse careers and higher studies in psychology and related fields.
