NOTICE

New Year Greetings from the Administration and Management of the St. Joseph University, Ikishe Model Village Chümoukedima to all the stake holders of SJU. May God continue to guide us even as we start this Even Semester of the year 2023 for His Glory.

This is to inform all the students who have been provisionally declared qualified to proceed to the upcoming even semester to clear their semester fees before the resumption of the normal even semester classes with effect from 18th January 2023.

All hostellers (boarders) are also informed to clear their current semester hostel fees before they rejoin the hostel and resume attending their normal classes with effect from 18th January 2023. Only those hostellers who have cleared the current semester hostel fees will be allowed to rejoin the hostel upon reporting to the hostel warden. The wardens will first check and verify the payment of the hostel fees for this current (even) semester.

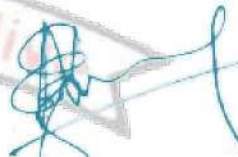

The various department Heads are informed to disseminate this information through class and department WhatsApp Groups and treat it as urgent for the same purpose.
