A Roadmap from Developing to Developed in North East India

Hybrid Mode (Offline and Online)

DATE	VENUE
13th August 2026	St. Joseph University, Nagaland

ABOUT THE UNIVERSITY

St. Joseph University was established by DMI Foundations, an effort of the Sisters of DMI (Daughters of Mary Immaculate) and the Fathers of MMI (Missionaries of Mary Immaculate) of the Catholic Church. DMI Foundations is a global philanthropic organization active across the USA, Germany, Brazil, Tanzania, Zambia, Malawi, Ethiopia, South Sudan, and India. SJU is a private university established under Nagaland Govt. Act No. 6 of 2016, recognized by the UGC, and approved by the AICTE.

ABOUT THE DEPARTMENT

The Department of Economics, St. Joseph University, was established in June 2018. The department is committed to creating knowledge through teaching, research, and extension services and to developing human resources in the field of economics. Its course structure blends theoretical and quantitative analysis, promoting academic excellence, employability, innovation, and qualitative change in society.

ABOUT THE SEMINAR

“Viksit Bharat @ 2047: A Roadmap from Developing to Developed in North East India” is a state-level students' seminar providing a platform for students and researchers to discuss strategies for inclusive and sustainable development in the North East. It focuses on innovation, entrepreneurship, infrastructure, digital transformation, environmental sustainability, and human capital development, encouraging evidence-based, collaborative solutions towards India’s vision of a developed nation by 2047.

OBJECTIVES OF THE SEMINAR

- Promote awareness of the Viksit Bharat @ 2047 vision through academic discussion on sustainable and inclusive development in North East India.
- Identify regional opportunities and challenges in the North East development context.
- Foster innovation, entrepreneurship, and policy dialogue among students and researchers.
- Encourage research-based solutions for economic growth, social progress, and environmental sustainability.
- Strengthen collaboration and inspire young minds to contribute to nation-building for a developed India by 2047.
