

DID YOU KNOW?

Every year, the Dept. of Civil Engineering (est. in 2017) along with the Institution of Engineers, India [IEI] celebrates ESTRIBOS in honour of respecting and appreciating the innovative success of human technology along the years.

This fest aims to bring together all creative minds, resulting in an omnium gatherum of tech and art.

It is held in the month of April at the university campus of SJU, welcoming all tech students and participants across Nagaland!
