“FINANCIAL INCLUSION THROUGH DIGITAL BANKING IN INDIA”

10th & 11th August, 2023

Organized by
DEPARTMENT OF COMMERCE
ST. JOSEPH UNIVERSITY
Virgin Town, Ikishe Model Village
Chumoukedima, Nagaland
India - 797115

About the University

St. Joseph University (a Christian Minority Institution) has been established under the Nagaland Private University Act No. 6 of 2016, as amended by the Nagaland Government, recognized by University Grants Commission (UGC) and approved by all India Council for Technical Education (AICTE). It is a premier University imparting knowledge in Arts, Science and Engineering and values among the youth of the country to contribute more effectively towards establishing an equitable social and economic and secular ideal of our nation.

St. Joseph University was established by DMI Foundations which is an effort of the sisters of DMI (Daughters of Mary Immaculate) and the fathers of MMI (Missionaries of Mary Immaculate) of the Catholic Church. The DMI Foundations is a global philanthropic organization working in many Countries such as the United States of America, Germany, Brazil, Tanzania, Zambia, Malawi, Ethiopia, South Sudan, and India through universities, educational institutions and philanthropic services.

About the Department

Founded in 2018, the Department of Commerce imparts top-class education with focus on the principles of academic brilliance and professional excellence. In addition to the pedagogy, the department encourages intellectually stimulating group discussions & debates, interactive study sessions and inter-collegiate activities. We foster in students a sense of responsibility both in their career options and in the development of the secular and economic ideal of our nation. Our students are trained to serve in companies in areas such as auditing, e-Commerce, non-Banking Finance, Banking, Financial Services, and Consulting.

About the Seminar

Banking sectors has always been the backbone of the Indian economy and despite concerted digital Banks industrialization, in the last six decades;

digital banking and cyber security always occupies a nation. The significance of digital baking in the national economy arises from the role it plays in India's national income, and export business. Large population of India is dependent on cyber security and digital banking. But, Digitalization is changing how people interact and do business on a day to day basis, and advancements in banking technology are continuing to influence the future of financial services around the world.

The seminar intends to discuss the roadmap to recovery in terms of

- 1) Solution to the fragmented international policy making and sustainable development imperatives
- 2) Innovative investment policies to boost digital transactions and financial inclusive development
- 3) Acceleration in digitalization and dominance of electronic commerce
- 4) Enhanced digital banking and supply chain to facilitate digital transitions
- 5) Green Economic Recovery involving an appropriate financial inclusive policy, consumer protection polices and environmental policy

Participation

Faculty, Academicians, Industrialists Research Scholars and Students can participate and present papers in the seminar. No TA/DA will be provided. Participants have to make their own accommodation.
