ABOUT ST. JOSEPH UNIVERSITY

St. Joseph University was established by DMI Foundations which is an effort of the sisters of DMI and the fathers of MMI of the Catholic Church. The DMI Foundations is a Global philanthropic organization working in several countries such as United States of America, South Sudan, Brazil, Tanzania, Zambia, Malawi, Ethiopia, Central Africa Republic, Papua New Guinea, Germany and India through Universities, Educational institutions and philanthropic services. St. Joseph University, Nagaland – has a sprawling green campus spread over 35 acres of land with well connected roads and easy accessibility to the airport and railway station within six kilometer distance. The campus is equipped with state of the art infrastructure, laboratories, computer labs and library conductive for higher learning, research and innovation.

ABOUT THE CONFERENCE

The Internal Quality Assurance Cell (IQAC) of St. Joseph University, Nagaland, is organizing a Two-Day International Conference on Multidisciplinary Research and Innovation on 26th and 27th October 2026. The conference aims to provide a global platform for academicians, researchers, industry experts, and students from diverse disciplines to exchange ideas, present research findings, and foster collaborative learning. It seeks to promote innovation-driven research and encourage participants to explore new perspectives across multiple domains such as science, technology, social sciences, humanities, commerce, and management.

PARTICIPATION & ACCOMODATION

Faculty, Academicians, Industrialists, Research Scholars and Students can participate and present papers in the conference.

Accommodation will be arranged as per prior request of the participants. No TA/DA will be provided.

KEY HIGHLIGHTS

- Plenary sessions by eminent international and national speakers.
- Technical sessions covering a wide range of disciplines.
- Opportunities for paper & poster presentations among participants.

This academic initiative reflects the University's commitment to promoting quality research, interdisciplinary collaboration, and knowledge creation in line with the vision of building a vibrant academic and research culture. The conference will serve as a forum to bridge academia and industry, inspire innovative solutions to global challenges, and contribute to the advancement of higher education and societal development.
