About the University

St. Joseph University, established in 2016 by the DMI Foundations, is an initiative of the Daughters of Mary Immaculate (DMI) and the Missionaries of Mary Immaculate (MMI) of the Catholic Church. DMI Foundations is a global philanthropic organization active in countries such as the United States, Germany, Brazil, Tanzania, Zambia, Malawi, Ethiopia, South Sudan, and India, contributing through universities, educational institutions, and other charitable services. At St. Joseph University, we are dedicated to the pursuit of knowledge, research, and creativity with a focus on promoting entrepreneurship and leadership. Our student-centered learning approach aims to provide employable education tailored to the changing global landscape, ensuring both personal and intellectual excellence, productive careers, meaningful lives, and responsible citizenship.

About the Tournament

The Fifth edition of St. Joseph University Trophy is organized with the motive to bring unity and prosperity among the universities and colleges in Nagaland, Assam and Manipur and also to provide better opportunity to enthusiastic Sports persons.
